R7xi Recumbent Cycle

MATRIX

Intuitive App Interface

The 7xi's touch interface was thoughtfully designed for fitness. Its clean Home screen is the easiest way users can access content. From built-in social media apps to Virtual Active to on-demand TV and video, engaging content is just a touch away.

Hardware. Software. The Experience.

Matrix creates it all. Users completing Virtual Active™ workouts hear ambient noises and feel incline changes as the terrain changes. They can also post their workout data to social profiles with a single touch for a truly integrated experience.

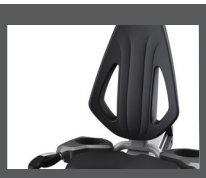
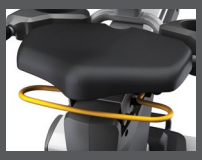
Wear Items (iPod® Cable, USB Port, Headphone Jack, Battery)	90 days parts



Ventilated Ergo Form™ Seat
Custom designed seats provide right balance of support and air flow for a cooler and more comfortable workout.



One-hand Seat Adjustment
Simple and intuitive one-hand adjustment allows quick fine-tuning of ride height.

Integrated Transport Handle and Top-down Levelers
Handle is readily visible and easily accessible for moving around the room. Top-down adjustments simplify leveling after installation, maintenance or regular use.

"Made for iPod®" means that an electronic accessory has been designed to connect specifically to iPod® and has been certified by the developer to meet Apple performance standards.
