"Made for iPod" means that an electronic accessory has been designed to connect specifically to iPod and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. iPod is a trademark of Apple Inc., registered in the U.S. and other countries.

Ultimate Deck™ System

Our impact absorption system provides the ultimate feel for all users, and offers over 25,000 miles of maintenance-free performance.

Dynamic Response Drive System™

Our exclusive drive system is coupled with controller technology that continuously monitors and adjusts to user foot fall to ensure a perfect stride.
